

PORINI LION CAMP

OLARE MOTOROGI CONSERVANCY

Kenya's Leading Tented Safari Camp Brand
Africa's Leading Tented Safari Camp

Porini Lion Camp is located in the exclusive 33,000 acre Olare Motorogi Conservancy. This expansive conservancy, which borders the Masai Mara Game Reserve is home to an abundance of animals including the Big Cats for which the Mara is famous.

LOCATION

The camp is situated only a few kilometers from the Mara Game Reserve and a 30-minute drive from the Talek Gate. The Ol Kiombo airstrip used by the daily scheduled flights to Mara from Nairobi is a short 25-minute drive from camp.

THE CAMP

The eco-friendly camp has no permanent construction and is situated along the Ntiakatiak River, a seasonal river with permanent hippo pools near camp. With 10 guest tents the camp is very exclusive giving you a real in the bush experience. The tents are very spacious and have private verandahs along

the length of the tent, providing a secluded and private 'space' for you to relax and enjoy the beauty of this African wilderness. Each tent has en-suite bathrooms with flush toilets and hot showers. Food is excellent with fresh baked bread and high quality meals prepared by the camp Chef.

THE EXPERIENCE

Qualified safari guides enhance the experience by educating the guests about the flora, fauna and people of the surrounding areas. Guests are taken on day and night game drives in our custom built open-sided 4x4's. In the

evening they are taken to a scenic spot, to enjoy a drink while watching the sun go down. A night game drive is taken on the way back to camp, giving guests the opportunity to see many of the elusive nocturnal animals. Maasai warriors escort guests on a walk in the conservancy where they can learn about how the various indigenous animals and plants are used by the community and how their way of life is intertwined with their surroundings.

The new Porini Lion Camp, located in the vast 33,000 acre Olare Motorogi Conservancy is the ideal base from which to experience the million strong wildebeest migration.

DAILY PROGRAMME

During your stay, clients will normally have a programme as follows, but of course we're flexible and there to cater to what you'd like:

Day 1

Depart Nairobi Wilson Airport at 10 am for your 50 minute flight into the heart of the Masai Mara National Reserve. You'll be met at the airstrip by your safari guide from Lion Camp in open-sided 4x4 safari vehicle and will immediately be "on safari" in the Mara. Enjoy the day in the Mara with a picnic lunch on the look out for the Big Cats. Then drive to Lion Camp and settle into your tent. Afternoon game drive, followed by a sundowner at a scenic point. Return to camp for a shower, dinner and overnight.

Day 2

Awake at dawn to the natural sounds of Masai Mara's birdlife. After early morning tea you will have a game drive in the conservancy on the lookout for the Big Five! Return to camp for breakfast followed by a morning nature walk across the plains escorted by Maasai warriors returning for lunch. In the afternoon you will go on a game drive in Olare Motorogi Conservancy, stopping for a sundowner at a scenic viewpoint, followed by a night game drive to look for nocturnal animals. Return to camp for dinner and overnight.

Day 3

Early morning walk in the conservancy followed by breakfast and then transfer to the airstrip for the flight to Nairobi, arriving Wilson airport at 12:15

CONSERVATION

Local Maasai community members own the Olare Motorogi Conservancy and are receiving a direct benefit from wildlife, seeing wildlife as a valuable resource which belongs to them. They earn a direct income from each guest in the conservancy and also much needed employment for their members. Other than the head chef, camp manager and head guide all the other camp staff are from the surrounding communities.

Porini Lion Camp is run and maintained with the conservation of the environment at the forefront. The numbers of tourist visitors in the conservancy are being limited to retain the wild and unspoilt nature of the area and to minimise the impact on the environment. During their stay our guests have various opportunities to learn about the local Maasai people and how the Olare Motorogi Conservancy and Lion Camps' goals are aligned with theirs. We have a written environmental policy in regards to water, land, energy, solid waste and sewage which is adhered to by the camp management.
