Cliff Villa: up to eight guests can be accommodated in four spacious bedrooms, each having their own large bathroom. All rooms are air conditioned with mosquito nets (three double rooms and one twin). As size and interior decor in the rooms differ, Cliff Villa is not suitable for four couples; it is the ideal solution for large families or the ultimate romantic getaway. On the top floor is the Turret Suite, which has been rated as the most romantic room on the East African coast. On the first floor there are two double rooms with a shared private veranda. On the ground floor there is one twin room.

Garden Villa: up to ten guests can be accommodated in four large luxuriously appointed bedrooms, each with their own large bathroom, and all overlooking the Indian Ocean. All rooms are air conditioned with mosquito nets (three double rooms and one twin). An extra bed can be added in the twin room and also in the double room on the first floor. All rooms have different interior decoration, but are the same size, so Garden Villa is ideal for three couples travelling together or a large family.

Beach Villa: up to six guests can be accommodated in the two double rooms on the ground floor and in one twin room on the first floor. All bedrooms have ensuite bathroom, air conditioning and mosquito nets. This villa is ideal for friends travelling together, families with children or a couple that wants complete privacy.
